

MOBILIÁRIO URBANO . URBAN FURNITURE . MOBILIER URBAIN

SiT

A SIT Urban Design apresenta neste catálogo uma colecção de mobiliário urbano composta por peças idealizadas para espaços ao ar livre. De arquitectura contemporânea todas as formas são simples e minimalistas.

A integração destas peças em espaços verdes proporciona o encontro das pessoas com o meio envolvente, animando a vida das comunidades.

Todos os elementos aqui descritos têm como mais-valias características de funcionalidade, resistência e durabilidade aliadas a uma reduzida manutenção.

In this catalogue Sit Urban Design presents a collection of urban furniture made by elements thought for open spaces. With a contemporary architecture, all elements show simple and minimalist design.

Integrating these urban elements in green spaces provides better surroundings to its community.

All urban elements described in this catalogue feature high functionality, resistance and durability allied to low-maintenance.

Sit Urban Design présente dans ce catalogue des collections de mobilier urbain composées de pièces idéalisées pour des espaces à l'air libre. D'architecture contemporaine, toutes les formes sont simples et minimalistes.

L'intégration de ces pièces dans des espaces verts permet la rencontre des personnes avec l'environnement animant la vie des communautés.

Tous les éléments décrits ci-dessus ont pour plus-values des caractéristiques de fonctionnalité, de résistance et de durabilité, alliées à une maintenance réduite.
